March 27, 2020

TO: All Terminal Employees Parking in Lot D or Westfield Garage

FROM: San Francisco International Airport - Parking Management

SUBJECT: Temporary Relocation of Assigned Parking Areas

Starting Friday, March 27th all employees currently parking in Employee Parking Lot D or in the West Field Garage, and who also report to work in either Domestic or International Terminals, will be temporarily redirected to park on levels 3 and 4 in the Domestic Garage.

Our thoughts are with everyone affected by the global outbreak of coronavirus (COVID-19) and our sincerest gratitude goes out to all SFO-based employees continuing to report to work to support the Airport at this time.

In order to reduce operational costs and allow direct access to employees’ worksites, all terminal employees currently in Lot D or in the West Field Garage are being reassigned to park on either level 3 or level 4 of the Domestic Garage. Please follow the below directions for these areas.

Additional notices will be distributed if conditions change and further modifications are needed.
